PORTO RICO.

Report from Ponce—Sanitary conditions and inspection of vessels.

PONCE, P. R., *June 30, 1902.*

SIR: Through the chief quarantine officer for Porto Rico, I have the honor to transmit herewith the quarantine and abstract of bills of health reports for the week ended June 28, 1902, and the report of immigrants inspected at this port during the month of June, 1902. Two vessels were inspected and passed and 5 bills of health were issued. The sanitary condition of the city remains about the same. No quarantinable disease has been reported to this office.

Respectfully,

W. W. KING,
Assistant Surgeon.

The SURGEON-GENERAL.
